OUR STORY

WHO WE ARE

IMPRESSION ADS MULTI SERVICES PVT. LTD.

Founded in 2022 by Deepak — together with Sunil and Aditya — with one clear mission: reliable, professional, technology-driven business support services under one roof.

Our journey began with security services. Today we are a complete business solutions company delivering Security, Manpower, Transport and Hotel solutions to leading organizations across India.

We don't just provide services — we build long-term partnerships.

WHAT WE DELIVER

OUR SECURITY OFFERING

STATIC GUARDING & SUPERVISION

Trained, verified security officers with on-site supervisors — banking, aviation, corporate, retail and residential sites.

QUICK RESPONSE TEAMS

Two-tier QRT fleet — bikes first on scene, vans with the full team, equipment and backup.

24x7 COMMAND CENTER

Central monitoring, shift allocation and live field operations tracking across every site.

COMPLIANT WORKFORCE

Background-checked, medically fit, quarterly-trained professionals — PF, ESI and statutory compliant.

AIRPORT DEPLOYMENT

NIGHT OPERATIONS

SELECTION

WE DON'T HIRE. WE SELECT.

Trusted professionals sourced through referral networks — and screened through four gates before they ever reach a client site.

01

SKILL

Site and role competence, validated hands-on.

02

EXPERIENCE

Proven service record with past employers.

03

CONDUCT

Discipline, integrity and client etiquette.

04

FITNESS

Physical readiness and medical clearance.

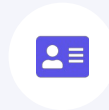

Candidates who do not clear a gate do not move forward.

VERIFICATION & COMPLIANCE

VERIFIED. BACKGROUND-CHECKED.

TRAINING

TRAINED. THEN DEPLOYED.

QUARTERLY DRILLS — AUTHORIZED TRAINING CENTERS

PHYSICAL TRAINING PROGRAMS

Discipline drills, safety protocols and on-ground readiness — every quarter.

DAILY BRIEFINGS & DRILLS

SOPs, client protocols, emergency response, conduct and accountability.

ADS TRAINING PLATFORM

Digital learning modules — every module tracked to completion for every employee.

DEPLOYED ONLY WHEN CERTIFIED

No professional reaches your site before clearing every module.
